## TRAINING WITH THE PHCC-GSA PUAC BENEFITS BOTH YOU AS A MEMBER AND YOUR STAFF!

The mission of the PHCC-GSA PUAC is to evaluate new ideas in our industry, bring the best administration and teaching techniques to our apprenticeship and trainee program - the benchmark for the Plumbing-Heating-Cooling industry - and address the lack of skilled journey-level plumbers in the industry.

As a member of the PHCC Sacramento Valley chapter, you will receive discounted registration costs on education and training for you and your staff! Increase employee retention while your apprentice receives the opportunity to be more competitive in the workforce and obtain Journey-Level Status.

## PERFORMING AT A HIGHER STANDARD

The Plumbing-Heating-Cooling Contractors of the Sacramento Valley is a local association representing plumbing-heating-cooling contractors in new construction (residential/commercial), Service and Repair along with affiliated companies in the Greater Sacramento Area.

## PROVIDING INSTANT ACCESS

The best practices, resources and business tools you need to keep profits high, turnover low and customers satisfied. You'll also have access to educational opportunities for your apprentices and continuing education for contractors and their employees.

# PHCC OF SACRAMENTO VALLEY MEMBERSHIP BELONGS TO A THREE-TIERED MEMBERSHIP THAT INCLUDES MEMBERSHIP AT NOT ONLY THE LOCAL LEVEL, BUT ALSO THE STATE AND NATIONAL LEVELS.

### PICK UP PROVEN BUSINESS TIPS AND IDEAS

PHCC helps you run safe, efficient and profitable operations - and get effective tips and resources to:

- Grow your customer base, manage projects and use new technologies
- Comply with the latest standards and codes
- Attract and retain high quality workers

### GET PROTECTION FROM OVER-REGULATION

We constantly lobby at local, state and federal levels to protect our members. PHCC helps by:

- Advocating to ease regulatory burdens on members related to industry-specific issues
- Working with Congressional Small Business Committees and key regulatory agencies
- Alerting members of legislative and regulatory issues requiring immediate attention

### TAP INTO TRAINING FOR YOU AND YOUR TEAM

Gain insights into all the latest techniques, products and solutions. As a PHCC member, you can:

- Benefit from workforce programs, scholarships, apprentice training, instructor workshops and more
- Learn how to protect your business and your employees
- Give your staff access to state-of-the-art training and prepare for new industry regulations

### JOIN A NETWORK OF PROFESSIONALS THAT PAYS YOU BACK

Make valuable connection with peers who have "been there, done that" - and enjoy opportunities to:

- Build your own contact list of contractors, industry partners and officials at local and state meetings and events
- Attend the annual state convention, the Sacramento Valley trade show and Legislation Day

### FIND THE NEWS AND RESOURCES YOU NEED

Make smarter decisions, avoid pitfalls and seize new opportunities:

- Get industry news and updates in our monthly newsletter and bi-annual publication
- Discounted products and services - save money!
- Access members-only information about your most pressing business issues

### JOIN FOCUSED MARKET INSIGHT PEER GROUPS

For an additional fee, our Enhanced Service Groups offer valuable insights through focused meetings and conferences, newsletters and more.

- Construction Contractors' Alliance
- Quality Service Contractors
- Union-Affiliated Contractors
